## body rituals

**aunt mary's ranch remedy** 80 minutes \$195  
Aunt Mary, the matriarch of the Rogers-Wiseman ranch, lived off the land. It was said that she could fry up a chicken, sweep the floor and keep the coyotes at bay all at the same time. She was known for creating all sorts of home remedies, and we think she'd enjoy this one. This service begins with an aromatic body scrub followed by a gentle, hydrating massage. Service concludes with a full-body wrap in warm linens while the moisturizing effects take place.

**hill country hydration ritual** 80 minutes \$195  
Your hydration journey begins with a soothing, cold stone face massage. We then heat things up by adding a warm oil scalp treatment. A full-body exfoliation using an all-natural orange peel scrub infused with Argan oil, Vitamin E and other essential oils gently buffs away tired skin for deep hydration. We conclude the ritual with a full-body warm basalt stone effleurage incorporating intensive hydrating oil with antioxidants and the soothing aroma of lavender. Your skin will feel instantly nourished with a softer healthier glow.

**firm my hide** 80 minutes \$195  
This experience begins with a citrus greens full-body scrub. After a quick cool down, a firming and toning cactus gel is applied, and the body is cocooned in layers of linens. This experience ends with a full-body agave nectar effleurage.

**blanche's body scrub** 50 minutes \$135  
We have paired our Windflower scrub with a soothing scalp massage to create our signature body treatment. This gentle full-body exfoliation and hydrating scalp treatment will have you feeling refreshed and renewed from head to toe.

**leg and foot treatment** 25 minutes \$90  
A warmed arnica oil will be massaged to relieve muscular and joint discomfort of your lower legs and feet. Great treatment after your day's adventures.
